Welcome to the beautiful world of Sassi!

Founded over 30 years ago by Simon Jun, a chemist-turned-businessman, Sassi has been committed to offering products that are both affordable and of the highest quality. We've become renowned for our exceptional range of eyelashes, eyelash accessories, and acrylic nails.

At Sassi, we believe that beauty should never come at a steep price. That's why we are committed to delivering innovation and excellence with luxurious, clean, and affordable products. We understand the importance of professional beauty without compromising, and we're here to make it accessible to all.

Our brand promise is simple yet powerful: we aim to empower women by enhancing their natural beauty. Whether you're a beauty distributor, a professional in the industry, or a consumer who values quality, sustainability, and affordability, Sassi is here for you. We cater to individuals who understand the transformative power of beauty and seek products that align with their values.

But Sassi is more than just a brand. We have a people-first mentality that drives everything we do. We prioritize reliable service, foster meaningful relationships, ensure exceptional quality, and embrace transparency. When you choose Sassi, you can trust that you're not just getting a product – you're becoming part of a community that values your needs and aspirations.

Discover the joy of expressing yourself with Sassi's extensive range of eyelashes, eyelash accessories, acrylic nails, and more. Experience the difference that sustainability, quality, and affordability can make in your beauty routine. Choose Sassi, and together, let's enhance your natural beauty effortlessly.

Welcome to the Sassi family. Let's embrace beauty together.

SASSI EYELASH EXTENSIONS

are made out of Polybutylene terephthalate(PBT) fiber material that is synthetic and hypoallergenic. With the use of synthetic material, we are able to produce extensions that are safe for cosmetic use.

The extensions are soft and light like natural hair but have the strength to make your lashes full with volume. With Sassi Lash Extensions you get the highest quality in the business which is second to none.

We offer a variety of Curls, Lengths, and Thicknesses to best match your eyelash to give you the look you desire.

SILK *Round Soft*

Sassi silk eyelash extensions are our most budget-friendly eyelash extensions. They are extremely easy to apply due to their stiffer texture, making them great for training eyelash extension artists.

No-Burn Primer & Brush Cleaner

Made in U.S.A.

Discover the harmony of Sassi Acrylic System - the ultimate solution for flawless acrylic nails. This comprehensive system includes everything you need: Acrylic Liquid, Powder, No-Burn Primer, and Brush Cleaner. By using all the products from the Sassi brand, you ensure optimal compatibility and superior results. Achieve professional-quality acrylic nails with Sassi Acrylic System.

No-Burn Primer

To ensure the longevity of your acrylic nails, Sassi No-Burn Primer is an essential step in the preparation process. It promotes excellent adhesion between the natural nail and the acrylic overlay, minimizing the risk of lifting or chipping. It is an acid free, low odor, and is much safer for natural nails than acid primers without sacrificing performance..
